Vol. 38 #8

July 2008

Dear Ones All,

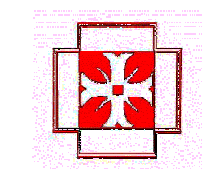

This is an overdue "Thank You" letter to all of you for your participation in providing food for the people of Haiti. This endeavor was a success because of you.

We started the collection of food with 1 lb. 50 bag of rice placed on a wood palette on the floor of the Sanctuary, and by the time Food For The Poor picked up the collected food, the pile had grown to over 2 tons of food (rice, cans of sardines, Vienna sausages, corned beef and several other canned food items, as well as a few bags of sugar).

I wish I had thought of taking a picture of Andreas' car (VW Golf) loaded with 11 bags of rice and other items from the congregation of St. Timothy (St.TLC), it was a sight to see. Many others have responded well over expectations and for this I say; thank you from the bottom of my heart.

Some have questioned whether this was a onetime effort, for they did not get a chance to participate. This is because some of you did not receive an e-mail from me regarding the deadline for pick up was Monday June 2nd. However, this is an on going situation, for the people of Haiti are still hungry. We will continue our collection efforts and welcome any food donations you can make and will continue to accumulate them at our church.

Thank you and God bless, Pastor Jean-Pierre Marc-Charles

DATED MATERIAL - PLEASE DO NOT DELAY

One evening an old Cherokee told his grandson about a battle that goes on inside people. He said, "My son, the battle is between two "wolves" inside us all. One is Evil. It is anger, envy, jealousy, sorrow, regret, greed, arrogance, self-pity, guilt, resentment, inferiority, lies, false pride, superiority, and ego. The other is Good. It is joy, peace, love, hope serenity, humility, kindness, benevolence, empathy, generosity, truth, compassion and faith."

The grandson thought about it for a minute and then asked his grandfather:
"Which wolf wins?"

The old Cherokee simply replied, "The one you feed."

PARKING LOT UPDATE: The new light pole has been installed and the lights have been placed on top of the poles and are now working. They are finishing up the side walk on Bird Road.
