### A STIMULUS PACKAGE FOR SAINT MARK'S

This is an idea which is definitely POSSIBLE with participation and cooperation of the members of Saint Mark's

The government has promised a "rebate" or "stimulus" to the economy by sending checks to the citizens in early May. The exact amount in each check is not yet known. Since the amount is not known and the money is not already in our bank accounts nor in our wallets it is virtually "found" money. We would not have to take anything out of our budgets, cook for fund raising dinners, sell tickets or exert any effort whatsoever— just take those checks—endorse them over to Saint Mark's and that money would certainly be a STIMULUS to Saint Mark's. It would achieve the government's goal as a stimulus and would be painless to us.

**PLEASE HELP THE VICTIM/WITNESS UNIT**

Through our cell phone collection efforts, we have been given the opportunity to participate in a drawing to benefit crime victims in our city. Donating a used, unwanted cell phone, allows community members to donate to an important cause, without reaching into their wallets. Shelter Alliance will be awarding \$1,000.00 dollars to five eligible program participants. The prizes will be awarded at random on July 14, 2008. **This is were I need your cooperation, to be eligible for the drawing, we must collect at least 300 cell phones before June 26,2008. So far, I have collected 65. We need 235 additional cell phones.** Most of us have old cell phones sitting idly in drawers around our homes. There is a white "drop box" at the Coral Gables Police Department lobby, please, just drop off the phones there, no chargers required. Phones may also be dropped off in the white box at church. They will be delivered to the Police Department. We appreciate you cooperation.

**Pastor Frank Kopania** will arrive in Miami August 14th and will begin conducting German-language services in September.

**Pastor Perry** is looking to rent a garage space for his old car.
